Security Information

Thattham has developed a security rating system for plant manufacturers. It awards 'security stars' for Thattham tested security devices proven to resist theft. The security rating is based on 5 key security features.

Definitions - the 5 Star Thattham Rating System

- 1st Star Registration with CESAR (Construction Equipment Security & Registration) www.cesarscheme.org
- 2nd Star A unique key for each item (which may be the immobiliser key).
- 3rd Star A category P2 immobiliser installed.
- 4th Star Perimeter security including cabs which are equipped with lockable doors and windows where present
- 5th Star Category P5 anti-theft tracking system for vehicle recovery installed.

Details of Thattham approved devices can be found on the Thattham website by carrying out a Plant Search at www.thattham.org

12. Material Facts

Are there any material facts or any other information which needs to be disclosed to the Insurers which has not already been answered in the previous questions and statements?
