

Good afternoon,

Change in legal entity of Thames Underwriting Limited (FCA firm ref: 533504) to Geo Underwriting Services Limited (FCA firm ref: 308400).

I am pleased to announce that with effect from 1 September 2024, Thames Underwriting Limited will rename to Geo, a trading name of Geo Underwriting Services Limited.

Thames Underwriting has been operating as a specialist brand within Geo for some time now, and this change allows for a more comprehensive integration, improving our position within the UK insurance market and more importantly providing you with access to a broader range of products and services.

What this means

Your information will automatically transfer to Geo before the transfer date. Please review the [Geo Privacy Policy](#) for information on how your data will be processed.

You will continue to be looked after by the existing Thames specialist team, providing the high level of service you have come to expect.

From 1 September, our email addresses will change to end @geounderwriting.com, and any emails sent to the old address will be automatically forwarded to ensure we don't miss any correspondence. All new business and renewals will be issued by Geo Underwriting Services Limited.

There will also be new bank details following the transfer so please check the invoice details before making payment to avoid any issues.

If your clients have any questions about the legal entity change, please share a copy of the [Notice to Policyholders](#) with them.

Let's continue to do business

You can find all our forms and questionnaires on our [website](#), and you can always talk through an enquiry with an underwriter. We will have a new website launching later in September which will showcase the full breadth of the Geo product suite.

It is an exciting time to be part of Geo, a full service, chartered managing general agent (MGA). Geo offers a wide underwriting footprint, diverse product range and A-rated capacity.

We look forward to introducing you to the Geo brand which you will see in all documentation after the transfer.

If you have any questions, please call us on **01702 713636** or email [Alex](#) or [Marie](#).
