

Good afternoon,

Change in trading name and rebrand from Thames Underwriting to Geo.

As we move closer to the effective date of 1 September 2024, our teams are busy preparing everything to ensure a smooth transition to the Geo brand. We've been updating our documentation, our office rebrand and stationery to reflect the next chapter in our Construction and Specialist Commercial journey.

Whilst we're renaming, there's a lot of things that will remain consistent. You will continue to be looked after by the same team, providing the high level of service you have come to expect. You'll continue to have access to the great range of Construction and Specialist Commercial products provided by the team, alongside access to the wider Specialisms across Geo.

In addition:

- Any details we have for you will be handled by Geo. Please review the [Geo Privacy Policy](#) for information on how your data will be processed.
- Our email addresses will change to end @geounderwriting.com, and any emails sent to the old addresses will be automatically forwarded to the new addresses.
- All new business and renewals will be issued by Geo. We're looking forward to introducing the Geo branded documentation which will be issued after 1 September.
- There will also be new bank details following the transfer so please check the invoice and statement details before making payment to avoid any issues.
- As you already hold a TOBA with Geo Underwriting Services, no further action is required and you can continue to trade as usual with us.

If your clients have any questions about the legal entity change, please share a copy of the [Notice to Policyholders](#) with them.

About Geo

It is an exciting time to be part of Geo, a full-service, chartered managing general agent (MGA). Geo offers a wide underwriting footprint, diverse product range and A-rated capacity.

We look forward to introducing you to the Geo brand in more detail as the year progresses. We will be launching a new website later in September which will showcase the full breadth of the Geo product suite, alongside useful articles and blogs. Until this time, you can still access fair value assessment notices from the usual portal – contact your underwriter if you need details.

If you have any questions, please call us on **01702 713636** or email [Alex](#) or [Marie](#).

Yours sincerely,

Alex Wakeham | Associate Director
